SCHEDULE OF CLASSES- Call now to sign up!

NOTE: Store hours may vary as I do have cancer and have doctor appointments in Columbia at least once a month. If you are coming from out of town, it might be a good idea to call first. My appointments are usually on Monday but if I need blood then the shop is closed on Tuesday also.

***Note: Please prepay to reserve your spot for all classes..** A minimum of 3 people is required before a class will be held. We appreciate your consideration and cooperation with this!

Service: Let me “ENGINEER” your quilts. Do you need to add a pieced border or two to a quilt to make it bigger & you can't quite get it right? Let me do the math! Do you have a block that you found in a magazine and you want to see how it would look as a quilt, but it needs to be re-sized & you aren't sure what size it should be? Let me do the math! If it takes me 1 hour or less the charge will be \$15. Standard charge for most projects will be \$25 and if you really have a complex design, requiring 3+ hours of work, then we will discuss it before the work begins. More details available if you are in need of this service.

Classes: At this time my health is not allowing me to hold classes, but if you are having problems with a project, I will be glad to work with you one on one!

EXTRAS:

T-Shirt Quilts – yes, I do these, but not if you are in a hurry for one. If there is enough interest, I will schedule a class. I will do one-on-one with you if that works better.

Binding classes – Yes, I do these one on one with you if you are having trouble.

TEACHERS -I am always looking for anyone that can teach once for a specialty class or teach on a regular basis. I am desperate for teachers so if you would like to try your hand at teaching a class, let me know.

Class Policy

A deposit of the class fee will secure your place in class. If you must cancel a class registration, one week's notice is required, to receive store credit. If the Nine Patch must cancel a class and you cannot attend the rescheduled class, your money will be refunded. Supply lists are available for most classes. Due to copyright laws, each student must have their own book or pattern. Photocopies are not permitted on any copyrighted materials. Class size minimum is 3, maximum of 8. It is best if you plan ahead and buy your supplies before the class. However, my instructors and I are here to help you so we would be glad to meet with you prior to the class if you need help selecting fabrics!
