 Let's make a snowman! This is our last class. What will we do next???

I am hoping to talk Charleen into another **Beginners Sampler** class. For those of you with one or two simple quilts done, this is the next step. When you finish this class you will be able to make hundreds of blocks on your own! Call me if you are interested. I need at least 4 people in order to hold the class. If you are REALLY interested and call me first, then you get to help pick the time and day we start!

We are hoping to offer a class on learning to **use your regular sewing machine** to do **simple embroidery** work (looks like hand embroidery, but it isn't) and Loretta is working on putting together a class for **EQ6/EQ7** for **beginners or near beginners**. I can't wait because I need this class so if you have never installed your computer program, then **DO IT** and call me and sign up for this class!

Rags to Rugs Crochet or Weaving classes – scheduled one on one. Call me

TEACHERS -I am always looking for anyone that can teach once for a specialty class or teach on a regular basis.

Quilt Guilds: Day time Guild meets on the 1st Wed of the month at 9:30 am at the Methodist church (or the Nine Patch—call to find out). Call for project supply list. Night time Guild meets at 7pm on the 2nd Thurs of each month at Moore-Few Community Room. Everyone is welcome!
